

### Game 1

- **Look at the pictures** and say the words aloud... Example: "Bat," "Cat," "Fat," "Clock."
- **Sort the words** into two piles: Pile 1: Words that rhyme (e.g., Bat, Cat, Fat ...)  
Pile 2: Word that does **not** rhyme (e.g., Clock)
- **Take the word** from the non-rhyming pile (e.g., " Clock ") and **say a word that rhymes** with it.  
... e.g., " Clock " – " Sock."

### Game 2

To make the game more engaging, simply print more rhyming word cards from my webpage [slpa.ca](http://slpa.ca)

- Lay all the flashcards face down.
- Players take turns flipping two cards at a time, trying to match words that rhyme.
- If the cards rhyme, the player keeps them. If not, they turn the cards back over.
- The player with the most pairs of rhyming words at the end wins.

### Game 3

- One player acts as the "Rhyme Detective" and chooses a word from the pile.
- The detective says, "Find a word that rhymes with (chosen word)."
- Other players take turns picking cards. If they pick a word that rhymes, they get to keep it.
- The detective wins if no one picks the right rhyme.
